

The Jewish Education Center of Cleveland is pleased to offer two very special Hebrew Through Movement certifications!

Are YOU ready to take your next professional step?

Certification #1 - HTM Master Teacher

Who are master teachers? Those who consistently use the learning principles of Hebrew Through Movement to plan and execute their lessons! This summer you will learn from experts, study and analyze videos, collaborate in the planning of lessons and practice your teaching skills. Master teachers will also learn to help support other teachers working with HTM.

When:

Sunday, July 15th, 12 noon through Monday, July 16th 3:00 pm

Plus, approximately five hours of work to be completed at the start of the school year, including lesson planning and videotaping personal teaching.

Cost:

\$275 (includes all meals and transportation between the JECC and hotel).

- Participants are responsible for transportation to Cleveland and accommodations.
- The recommended hotel is the Courtyard by Marriott in Beachwood, \$129/night plus tax, double or single occupancy. The JECC will provide transportation between the hotel and the seminar location at the beginning and end of the day.

To apply for a space in this seminar, teachers need to:

- Have completed the online Hebrew Through Movement seminar and taught HTM for a minimum of two years.
- Submit a video of themselves teaching HTM, with attention to the learning principles.

Find the application and more information here: <https://tinyurl.com/HTMSummerCertification>

Certification #2 - HTM Ambassador

The JECC often receives calls from communities across North America, asking for someone to facilitate a meeting or lead a workshop that introduces HTM to others considering adopting this learning model. Some of these calls ask for assistance to take their current Hebrew Through Movement program to the next level. This extra day of learning will help you gain the skills and confidence to share the principles of Hebrew Through Movement. HTM Ambassadors would be privately paid by an education program requesting their expertise. *Note: The JECC makes no guarantees that a certified ambassador will receive an invitation from a community; these depend on the number of requests coming to the JECC and their geographical location.*

When:

Sunday, July 15th, 12:00 noon (starting with the HTM Master Teacher training) through Tuesday, July 17th, 1:00 pm

Supplemental cost:

\$100 (includes the Ambassador seminar, Tuesday's breakfast and lunch, plus transportation between the JECC and hotel; Monday is an open night from dinner onwards).

To apply:

Check off the "Ambassador" space on the Master Teacher application here:
